

COVID-19 Pandemic Hair Treatment Consent Form

I, _____, knowingly and willingly consent to have hair treatment during the COVID-19 pandemic.

I understand the COVID-19 virus has a long incubation period during which carriers of the virus may not show symptoms and still be highly contagious. It is impossible to determine who has it and who does not given the current limits in virus testing.

_____ (Initial)

I understand that due to the frequency of visits of other clients, the characteristics of the virus, and the characteristics of hair services, I have an elevated risk of contracting the virus simply by being in a salon. _____ (Initial)

I confirm that I am not presenting ANY of the following symptoms of COVID-19 listed below: _____ (Initial)

- Fever - Temperature: _____ degrees
- Shortness of Breath
- Loss of Sense of Taste or Smell
- Dry Cough
- Runny Nose
- Sore Throat

To prevent the spread of contagious viruses and to help protect each other, I understand that I will have to follow ALL of the salon's strict guidelines below.

_____ (Initial)

- Stylist and Client must wear a mask at ALL times. There is a chance that color or lightener will stain this mask. Please come prepared. Additional disposable masks will be available for purchase for \$2 each (limit 1 per client).
- You must wait in your car for your appointment until I text/call you inviting you up. This is to help limit direct contact from one client to another, and to allow for proper time to sanitize the salon environment/tools before your appointment. No one will be allowed to sit/stand to wait for their appointment in the waiting room.
- You may only bring up your phone, form of payment (no cash at this time), and one beverage. We will be sanitizing keys, phone, and card using a UV sanitizer box, and will not be offering beverages at this time to help limit contact between client and stylist.

- You must come ALONE to your appointment. No friends, children, or significant others will be allowed to accompany you. No exceptions.

I understand that due to the PPE needed and other necessary additions to creating a safer salon environment, color appointments will temporarily cost an additional \$20.
